We will still need to ask permission from your parents or guardian for you to take part in some academy and extra-curricular activities. The requirement for this permission overrides the protection of your personal data.

We are required to provide your parents or guardian with an annual report of your progress at the academy. We will offer the opportunity for your parents or guardian to come into the academy to discuss this report with your teachers and other members of staff.

At the start of each academy year we will ask you if you are willing for these reports to be sent more often, but you do not have to give this permission.
