

Progress Data on My Ed School App

Dear Parent/Carer,

Many of you are already using the My Ed School App to receive important messages and information. It is a quick, free and easy way for us to keep you up to date with what is happening in school.

I am writing to let you know that from September 2019 we plan to send progress data out via the App too. This will replace the printed colour reports we send out three times a year. Data will still be sent three times a year and the information contained within the reports will remain the same. Sending you the information via the App will allow you to access the information on your phone, tablet or computer. Without the need to print the reports we will be able to share the information with you faster and we will be saving valuable resources too.

If you haven't downloaded the App yet, you can do this by following the link below.

<https://www.myedschoolapp.com/>

If you have any problems then please contact the school and we will be happy to help.

Yours faithfully

Mrs L Pratt
Vice Principal
Co-op Academy Priesthorpe
