Dear Parents/Carers,

I am pleased to attach a copy of the results of this year's [Parent Survey](#), undertaken on behalf of the Co-op Academies Trust, by a company called Foretel.

The results have been split into areas of strength, and areas for further development. In terms of the areas for development, we will be producing an Action Plan during the final Half Term of the current academic year, which I will share with you. This will highlight how we plan to address these focus areas. I will then report back to you early in 2020, as I did in January 2019, on the progress we have made tackling these issues.

The staff and governors are humbled by your overwhelmingly positive support. We are working hard with you to develop well-rounded young people who can make a fantastic contribution within their own communities and beyond. Thank you for the confidence you continue to show in us. We do not take this lightly, nor do we take it for granted.

We always welcome your feedback. If you can think of any other ways in which we can further strengthen our links with you, please don't hesitate to contact me.

Have a great weekend.

Martin Blacoe

The Exam Season has begun

The Summer external exams for Y11s and Sixth form students start on **Monday 13th May**.

Students must attend school for all the exams for which they have been entered and must arrive on time.

Please remind your child to check the dates and times on his/her exam timetable. Students must ensure they bring to each exam the correct equipment required. Pens should be black ink only. If using a pencil case, it must be made from clear/ transparent plastic. Water vessels must also be clear/transparent and labels removed. Mobile phones must be kept in a locker or with a member of staff and **should not** be taken into the exam room.

If you have any concerns before or during the exam season, please contact the Exams Officer, Ms S Cullerton.

We try to offer as much support and guidance at this challenging time for both parents and students.

Mr Button and Mr Bryan are also on hand to help students whenever they can. Please pop and see them if you have any questions. You can now also email both Mr Button & Mr Bryan with any concerns/ queries you may have on – KS4support@priesthorpe.org
